LONG TERM MINISTRY GOAL

Preach Christ, Plant churches, and Prepare Christians to do the same.

MISSIONARY BIOGRAPHY AND UPDATE

Our family of six were the first ABWE missionaries to arrive in Ecuador in 2009. It was a joy and privilege to work together as an entire family in this pioneering work. For a year, we assisted a national Pastor in the south of Quito in his church work with teaching Sunday school, special services, counseling and Vacation Bible school ministries. Then we began a church plant in our home on October 10, 2010 in Cumbaya.

The church grew through the grace of God and last fall Jeff helped them through the process of calling their own first pastor.

We have now re-located from the capital city of Quito to Guayaquil, the largest city where we are assisting a church with training pastors and

leadership and discipleship. We have also begun an extensive ministry with the highest two levels of SWAT police in the country. God has opened doors all over the country with this ministry from the top brass down to officers in our neighborhood. They are somewhat a closed people group with great needs for the Gospel. Check out Facebook: Ministerio Tactica 593 to learn more about this exciting ministry. An evangelistic ministry to motorcyclists is a great and relaxing way to share the gospel. Check out Facebook: La Conexion MM. We are seeing our Lord open new doors of ministry as we follow Him. Thank you for your prayer, support and mission-mindset! We are so glad to be a part of the Grace family.
